

School Council Elections

Parental involvement is welcomed at Westwind and we look forward to working in partnership with parents in developing our school's culture, memories and traditions. There are a variety of opportunities for parents to be involved in school e.g. in the classroom, attending field trips, organizing events and being members of School Council. School Council serves as an advisory body, provides input on a variety of school related issues and promotes the school community as a whole. Meetings take place once a month on Wednesdays. All parents are welcome. If you are interested in being elected for a school council position, please complete the form below. Information on the various positions available is attached. A parent/guardian can be nominated by another individual or nominate themselves. In the event of a tie vote the tied candidates will draw lots to determine the elected candidate.
